

UNSECURED LINE OF CREDIT

THE FLEXIBLE SOLUTION.

ARF Financial LLC

The Smart Choice in Business Financing

The most successful business owners are the most nimble, and a Line of Credit from ARF Financial gives you the flexibility to act fast. When the window of opportunity opens, you'll be ready to maximize your advantage. Our Line of Credit quickly puts up to \$725,000 at your disposal. The initial line can be approved in 7 to 10 working days with 48 hour access to drafts after that.

Maybe you've thought about expanding, starting a renovation project or purchasing some new equipment. Why wait? With this type of financing, the simple flourish of a pen is all it takes to access up to five separate loan drafts over a four month period. You'll have the freedom to draw funds as they're needed, paying interest only on the money you take.

It Pays to Be Prepared

Even without an immediate need, business owners are establishing lines of credit now. Being prepared is smart. Owners know opportunities and/or issues can arise quickly and having committed working capital allows them to be ready for the unexpected.
